

The Weekly Rabbit 3 Year Old News Letter

**Check it
out!!!**

*Thank you so much for attending the **Parent-Teacher Conference** concerning your child. Not only was it good to meet and speak to you, but we are certain that your child will really benefit from the cooperation between us. Again, thank you for your cooperation and understanding. We are very hopeful of every future success. We look forward to seeing you again **tomorrow, Saturday, October 29th** to celebrate with us at the **Autumn Fair** at the **main campus**. You don't want to miss this day!*

*Don't forget the **COFFEE MORNING** on November 3 at 9:00 am in the Gym.*

Happy Friday! It's amazing how quickly time is flying by. The children are doing so many amazing things each day! There is such great progress from each and every one of them. I hope you are all seeing the progress at home as well. What happens in school is only worthwhile if you are able to see it too!

Why do we eat? The easy answers are because we are **hungry, tired, bored**, our **stomach is rumbling** or just because it's **lunchtime**. **Healthy eating** does not have to mean giving up foods you like best. It is all about learning to make good, **healthy choices**. The **three year olds** have started learning about **FOODS**, where they come from and good nutrition. They will learn about different kinds of foods, their characteristics, food groups and the importance of having all of them represented in our diet every day. Healthy eating!

We will continue learning the alphabet. This week we learned the letter **D**.

We continue learning number recognition from 0-10. We did coloring and tracing number **3**.

Today, is a special day at the ECC! **Spiderman, Batman, Cinderella, Snow White** and so many more interesting characters visited our school. The boys and girls came dressed as their favorite character and everyone paraded around the ECC during our **Fantastic Friday** celebration. Afterwards, the children enjoyed the **TREATS** plus there is always lots of popcorn every Fantastic Friday!
