We have been having fun getting to know each other more and more each day. We seem to be getting more used to our school schedule and most are arriving happy to start the day!

Reviewing our colors and shapes is lots of fun when you get to do play with toys and paint!

We have had fun this week learning about the many emotions that we have. What makes us happy, sad, mad, scared, or surprised? What makes us feel happy again after we are sad or mad? Maybe a hug or a special stuffed toy? Sometimes we have many different emotions in one day. We were able to come in each day and pick the face that showed how we were feeling.
