2 Year Old Pandas

This week was amazing - we had a great time celebrating Spirit Week. Every day was fun to watch as the children came in wearing something new and different. Our unit for this week was about "Blocks". We built many structures with the blocks and had a great time knocking them down. It was fun to see how tall we could make a block building before it fell. Also, as we stacked them higher and higher, the children counted each block. Another project that we did was to decorate blocks to look like gifts. These decorated blocks will be used for our winter concert. The children are really excited about the concert and are busy getting ready for it. Have a great weekend!!!!

3 Year Old Rabbits

Police officers, police officers, help us obey the laws, police officers...

This week, the Rabbits continued our **Community Helper** unit learning about policemen. We learned that **RED** means "STOP!", **GREEN** means "GO" **YELLOW** means "VERY SLOOWW, on a traffic light. The 3's learned that the policemen help us stay safe and help us cross the road safely. This is an excellent opportunity to practice and continue to teach as you are strolling down the sidewalk.

4 Year Old Tigers

What was the best part of ECC's 4th Birthday Party?

Was it singing Happy Birthday to ECC and blowing out the candles with the whole school on the rooftop? Was it shaking your hand with a silly looking clown? Was it competing with your friends to search for the most dinosaurs in the sand table? Was it blowing bubbles or playing really fun games like the Sack Race, Musical Chairs, the Turkey Relay Race, Pin the Nose on the Clown and many others? Perhaps the best part was decorating and eating tasty cupcakes, making treat bags and then filling them with yummy goodies? Was it bouncing in the Bouncy Castle, getting your face painted or listening to a story read by older QSI students? These were difficult questions for the children at ECC to answer since all of the activities to celebrate ECC's 4th Birthday were full of fun, laughter and excitement! It was a wonderful day for students, parents and staff! Thank you to everyone for making it a huge success!
