2 Year Old Pandas

We have been full of the holiday spirit over the last two weeks. Our classes have been decking the halls with trees, stars, and snowmen. Inside the classroom we have been focusing on the color RED through marble painting, apple stamping, and “Hide The Heart” memory games. All of us here in the 2 year old team hope you all have a wonderfully warm holiday break and we look forward to seeing you in January.

3 Year Old Rabbits

Patty cake patty cake baker's man. Bake me a cake as fast as you can. Pat it and roll it and mark it with a 'B'. Throw it in the oven for baby and me!

This week we learned all about Bakers to finish up our unit on Community Helpers. We sang the “Patty Cake” song to help us learn which letter our name starts with. We had fun listening to the Gingerbread story and making fake gingerbread cookies!

Our last couple of weeks has been very festive as we get ready for the Holiday season. We have been busy making snowflakes, Christmas trees and snow globes. We wish you and your family all the best this Holiday season!

4 Year Old Tigers

The four year olds are busy making Christmas and winter arts and crafts. We have made and **counted** our snowmen, Christmas trees, snowflakes and stockings that we hung on our fireplace. Students' artwork is on display inside and outside the classroom. During circle time we sing, *Jingle bells, jingle bells, jingle all the way....* while we ring the bells. We have decorated and ate our gingerbread cookies, too. We have learned that Christmas comes during **winter season**. While we enjoy all the activities, the spirit of **working together** is always with us. We know that when we work together the job gets done easily!
