Community Helpers...

*Five little firefighters sleeping in a row
Ring goes the bell, down the pole they go.
They jump on the engine and put out the fire.
Now they're back home, but they sure are tired.*

This week the three year olds started the unit- Community Helpers. We started with Fire Fighters. We learned all about a firefighters' job, how they protect us and that they are very brave. We practiced how to be safe in case of a fire and to STOP, DROP & ROLL... if our cloths were to ever catch on fire.

We had fun incorporating letter F and number 5 as we made fire trucks, 5 little fire men, and F's of fire. It is so rewarding to watch children get excited about learning and see them really start to grasp concepts and gain English vocabulary.
