WORKING TOGETHER

Last week was amazing!!
Our unit was on Birthdays!! We
watched all of your children (all 3
classes) work together to make
their own cupcakes. Every single
child was able to pour mix and stir
the batter as we sang songs and
read stories about birthdays.

Each one of your children sat and
were engaged. It was so special
to see each of them on task and
respectfully waiting for their next
turn.

After the cupcakes were baked,
we went back to our own class-
rooms and held a birthday party
celebration and frosted our own
cupcakes!!

This week we are discovering our body parts. The children are exploring their hands, fingers and toes. We are painting pictures using only our fingers and hands. One of the songs that we learning is "Where is Thumbkin".

REMINDERS:

- Please remember to empty, review the contents and return your child's large "Work Folder" on Monday as we will collect and send home art work each Friday. Please send those art folders back on Monday.
- Please remember to return your child's library book each week. Your child will not receive a new library book unless their previous one has been checked in.

Special Thanks!!!

This week at the assembly the 4 year old program put together a beautiful presentation about how to use our teeth, hands and feet in a good way. They showed us that when we do not use them in a good way, it can hurt our friends.

They did a beautiful job!!!
Thanks again 4's!

Have a great weekend!
