CELEBRATING FRIENDS

We celebrated our friends this week as we said **HAPPY BIRTHDAY** to 3 of our classmates!! It's always an exciting time when we can sing and celebrate growing a little bigger every day!

We are learning to play beside our friends, to communicate our wants and needs. Don't forget, now is the time for us to build on our English skills so talk to us in English as much as you can. During meal times, when visiting with friends, going to the doctor, and on our way to school.

This week we continued our units on houses and friends.

We explored the different shapes it took to construct a home including square windows, triangle roofs, and rectangle doors.

We are getting so much better at recognizing colors and shapes in our environment. Help up learn by pointing out all of these things while we shop for groceries, ride on a bus, and get ready for bed.

For more info on what your child is learning this year please visit:

curriculum.qsi.org

Contact Us:

Jessica-Surface@shk.qsi.org

Kristi-Lochala@shk.qsi.org

Nikki-Clowers@shk.qsi.org

REMINDERS:

- Please remember to empty, review the contents and return your child’s large “Work Folder” on Monday as we will collect and send home art work each Friday. Please send those art folders back on Monday.
- Please remember to return your child’s library book each week. Your child will not receive a new library book unless their previous one has been checked in.

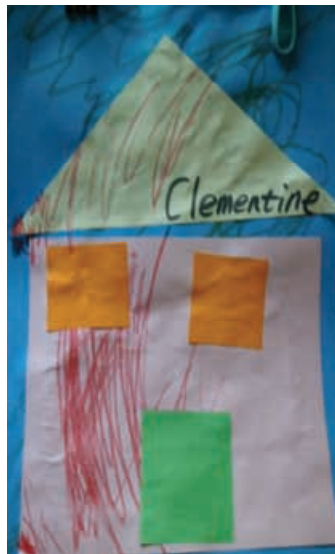

Side Note:

We are working hard every day at sitting down for meal time, feeding ourselves, and remaining seated throughout the entire meal. Please help us at home by continuing these habits. We look forward to another great week with our kids.

Fall is upon us and winter isn’t far away. As the temperature continues to drop, please do not forget to send an extra set of warm clothes for our cubbies.

Celebrating Our Friends Birthdays Is Always A Good Time!

Packing up to go home after a day full of fun!

Houses Houses EVERY WHERE!!
