Hello Parents,
Thank you all so much for coming to
our winter concert!!!! We were so
pleased at how everyone
performed. The children did
such a great job and we also
want to thank you for help-
ing them sing in the audi-
ence!!

For our unit this week we explored the color Red. The children did some fun activities and had to find things that are red in their environment .

One activity that they did in class was to find some pictures of different foods that are red and paint them . The children also were able to decorated Santa with his very red hat!!

Another circle time activity, the children had to look into a box and find only red objects and paste them on a collage marked RED. They loved digging their hands in the box and looking for all the different kinds of red objects .
