CELEBRATING SEASONS

As we enter our fall season you will begin to notice the hallways filled with the colors of autumn. We have been decorating pumpkins, building treat bags, and coloring scarecrows for our hallways.

Come join us this Saturday at the Autumn Festival. There will be food, games, and tons of fun for the whole family.

We continued our letter of the week with the letter 'B'. We colored 'B'ags, 'B'ats, and sang "Wheels on the 'B'us"!! And don't forget, we LOVE to play with our 'B'abies!!

We are still so little and sometimes big things are hard to do. So in class we have been practicing how to take off and put on our shoes.

We work hard at washing and drying our hands all by ourselves.

And during meal times we are trying our best to stay seated through our entire meal.

Please help us at home by continuing these things. Even if we put our shoes on the wrong feet, our shirt on backwards, or our shorts on inside out we are learning every time we try.

Our oral language builder for the week includes: "please", "thank you", "help, please", and "I go potty". At this age, we are still struggling to always communicate our wants and needs. By helping us learn how to do this, it will minimize outbursts and physical aggression when we are confused.

REMINDERS:

- Please remember to empty, review the contents and return your child's large "Work Folder" on Monday as we will collect and send home art work each Friday. Please send those art folders back on Monday.
- Please remember to return your child's library book each week. Your child will not receive a new library book unless their previous one has been checked in.

**Side Note:**

Please continue to encourage your child to verbalize their needs and wants. At this age, they struggle to get their thoughts out in words and then are easily frustrated. The more you make them talk or use words to ask, the faster their communication skills will grow. We look forward to another great week with the students.
