Path of Friendship

Hello parents,

We would like to welcome Ms. Nikki to the 2 year old program!! We are so happy that she and her family are here and are beginning to settle in. She has a kind heart and a wonderful spirit and we can not

wait to start working with her.

While we were waiting for Ms. Nikki's arrival we had the pleasure of meeting Ms. Candy and Ms. Shilpa who worked in Ms.

Nikki's class. Thank you!!!

A B C D E F G H I J K L M N O P Q R S T U V W X Y Z

This week we introduced the Alphabet. We will begin to place your child's name on the letter that begins with their name. The children also sang the ABC song and as we pointed to their names. Our goal will be for the children to identify their names

through visual recognition.

For math this week we began to introduce basic shapes (Circle, Square, Triangle). We will continue to explore shapes throughout the year through hands on projects, songs, and stories. Look for an attachment in your child's planner that will have the "I am a circle" songs lyrics so that you can practice with your child at

home.

REMINDERS:

- Please remember to empty, review the contents and return your child's large "Work Folder" on Monday as we will collect and send home art work each Friday.
- Please remember to return your child's library book each week. Your child will not receive a new library book unless their previous one has been checked in.
- Please bring in a photo of your family. We will be hanging these photos up so please bring in a photo that is not sentimental to you. We are looking for photos that have you, the parents. Maybe, grandparents, aunts and uncles. The more families the better!!!

Side Note:

Next week we will begin our families unit. We will be reading stories, singing songs, sharing photos of our families!!

We are looking forward to learning about all of you through your children!!
