- We will be celebrating our first Fantastic Friday on the 30th. We're so excited to meet our reading buddies from Mrs. Carpenter's class as they will be presenting a skit and reading us stories! Awesome!
- Picture Day on the 28th
- Oct. 1-7 is our Fall break. No classes on these days!!!

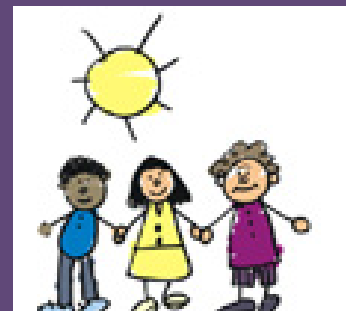

"Eeww!," "It tickles!," "Hihihi!," "Yikes!," cried the children as we made footprints on a long, huge butcher paper accomplishing "Walking Together On A Learning Adventure" project. Apart from sorting, puzzle and matching activities, we also started learning our left and right. No doubt, children also enjoyed our "Pop the Bubble with your..." and "trace me" adventures when we had the topic "body parts".

Hearing and singing with bells was delightful. Pincer grip exercise, counting, crafts, and opposites were our target as we learned about our "senses" this week. POPCORN party was sure FUN, too. We saw, we heard, we smelled, we touched, and best of all...we tasted it!!! Yummm!

We will be learning about *FRIENDS* next week. What better way to learn and win a friend but P-L-A-Y! Shape sorting, shape step, color jump are games we will be playing with our FRIENDS.
