PETS...

How much is that Doggie in the window? The one with the wagging tail.

How much is that Doggie in the window? I do hope that Doggies for sale! 

This week the 3 year olds have been learning all about pets: dogs, cats, fish, bunnies and turtles. Which one would you like to have as a pet? We learned that pets aren't just cute and cuddly...they also require care and time. One class even has a new classroom pet-A gold fish! We will be using our new fish to help us learn about responsibility

We also had fun learning about letter 'J' and number 10. We did a lot of counting activities. We incorporated the letter 'j' as we counted 10 jelly beans in a jar! We even made Jell-O and put them in Jars!
