

**September 24, 2010**

Dear Parents,

Yes, we had something new this week!

Our team decided to have a “teacher rotation” during circle time for 3 days. The 4 of us, Ms. Angie, Ms. Belle, Ms. Feather, and Ms. Lynette rotated and did circle time in every class from Monday to Wednesday. The children had the opportunity to get know all of the teachers and vice versa. It was EXTRAORDINARY! We really enjoyed every minute of it and obviously, the children benefited from it as well.

In relation to our new topic, “families”, we are inviting parents to join us to share with the class your family’s favorite activity or game. As we have a very limited time, we can only accommodate 3 couples, or parents (per class) from Oct 6, Wednesday to Oct 8, Friday. So, if anyone is interested, please talk to your child’s teacher so we can plan ahead. Likewise, may we request for your child to bring to school, photos of all your family members (i.e., Mother, father, brother, sister, grandma, grandpa). Please send the photos in the message book envelope when they return to school on October 4.

Guess what? We had our first “Fantastic Friday” (a celebration that we have on the last Friday of the month) for this year. Today, we had “Gingerbread Man Hunt”. We went hunting for the Gingerbread Man. We eventually found Gingerbread Man cookies in our classroom and everyone had fun decorating these cookies and ended up feasting. It was such a fun experience for the kids.

We take this opportunity to apologize for not sending home library books this week. It’s been a practice that we don’t check out books before the holiday. Rest

assured that the routine of checking out of books will resume when they come back in October.

Again, we would like to remind everyone that library books and Friday folders should be returned on Mondays. Message books should be kept in your child's bag for communication. Parents are encouraged to write their comments, queries, and suggestions there.

Lastly, Parent-Teacher conferences are on October 14<sup>th</sup> and 15<sup>th</sup>. We only have 20 minutes to discuss your concerns about your child. It would be best if you could come to the conference prepared with a list of items to discuss so we can be most efficient with the discussion. So, don't forget to mark your calendars!!! Also, please note that the students will not attend school on these two days since the teachers will be having conferences throughout the day.

Well. That's it for now. Until next mail! Thank you very much. See you all on Oct. 4!

Yours,

3YO Team

Ms. Angie, Ms. Belle, Ms Feather, Ms. Lynette
