

RABBITS! newsletter

Dear Parents,

Swish....another month is over! Tic, toc, tic, toc, tic, another topic. Yes! We have started the new unit: “*Animals.*” We had so much fun talking about children’s pets at home and in their home countries and how much they miss them -- not to mention really wonderful and amazing stories about their “imaginary” pets. LOL ☺

Next up is Ocean animals along with letter O this week. Solving puzzles, hand, brush and finger paintings and crafts are just a few of the activities that kept us busy.

For next week, we will learn all about the letter P and Zoo animals. For this, we are planning to go on a field trip to Shenzhen Zoo on Friday. Please look for the permission slip in their communication books soon. Please remember to return the signed slip on or before March 10. FYI, we strictly follow, a NO SLIP, NO TRIP guideline.

That’s not all. Math activities like matching, comparing, counting, one-to-one correspondence, sorting and classifying, extending and identifying patterns, and also comparative number concepts like *more*, *fewer* and *same* are being practiced during circle time.

Lest we forget, we would like to thank those who joined our Coffee morning last Tuesday.

Also, Parent-Teacher conferences are just around the corner. You may call or simply stop by Ms. Weiwei’s desk to arrange for an appointment time.

And lastly, just a few reminders for everyone:

1. As the weather is getting warmer, we request parents to send thinner blankets for your child’s comfort.
2. Please remember to send and check your child’s message book each day as we write and attach important notes and announcements there.
3. Please send your child’s Friday folder back if you haven’t done so.
4. Class photo on March 8, Tuesday, that’s next week!

Have a great weekend everyone!

Yours,
3YO Team
