## Group Interaction

QSI International School of Shekou is accredited by the Middle States Association of Colleges and School. As part of this accreditation QSI and QSI Shekou, are committed to ongoing improvements in the educational program that is delivered. One of growth objectives ISS is committed to, is an emphasis on the Success Orientations, as traits that not only support success in school, but also in the world beyond the classroom. This month's highlighted Success Orientation is group interaction.

This week the secondary held it's first Success Orientation assembly. Each class, Secondary I-IV selected a name, and was charged with creating a yell and a banner. Later the classes engaged in contests of spirit and problem solving.

Parents, students, and teachers are welcome to submit announcements, articles, and photos to the Fenghua Fortunes. The paper is distributed every other Friday. Submissions can be sent via e-mail to the school's Director of Instruction at [mark-hemphill@shk.qsi.org](mailto:mark-hemphill@shk.qsi.org), by Thursday afternoon.

## Secondary Open House

Last night the secondary campus enjoyed a great turn out, as parents took the opportunity to visit classrooms, and meet with our secondary staff. Teachers took this time to share, informally with parents and present, a general overview of classroom expectations, and what parents and students might look forward to as the new school year unfolds. Thanks to all who were able to attend.

## Secondary Volleyball

OSI Shekou Boys and Girls Volleyball teams set out to defend their titles last Monday at Utahloy in Guangzhou. The boys' team, coached by Mr. Van Winkle, Mr. Varney and Mr. Mason had a fairly close match, but won all of the A team games. They defeated Utahloy 25- 20 and 26 – 24 to get their season off to a flying start. Dong Hoon and Sam proved to be dominating with their serves. At the net Stefan led the way with huge blocks and numerous hits and was joined by Sam who also found the spiking to his liking. One of the surprise players for the coaches was Lucas who covered the court like he was twins on defense. Cyrus and Ron each took a turn at setter and the team showed an overall strength on defense to keep the ball in play. Only Stefan and Ron are returning starters for the squad so there is lots of room for new players to step up and contribute.

The girls' team, coached by Mr. DeWitt and Mrs. Rundell, found their starting six to be dominating and some great potential from an athletic group of newcomers. Nancy is the setter and best player for the girls and her hustle and passing and setting were essential to the teams win. Nandita also proved to be rock solid in

serving, passing and all around play. Rachel Rundell was easily the most effective hitter on either team with help from some others. Blair, the only four year starter on the team played very well and served brilliantly. Vicky and Amanda were the other two starters, but all of the girls saw time on Monday. The girls sailed through their first set 25 – 11, then with three new substitutes in for the second set they lost 25 – 20 and then came back in the third set to clinch the win 15 – 13 despite three missed serves in a row. Utahloy's girls' team was second only to QSI at ACAMIS last year, so this is a great win for the Lady Dragons. The team has tons of new talent this year that just needs time get their skills honed.
