SUCCESS FOR ALL

QSI Shekou Lower Elementary Dragon Prints

Dear Lower Elementary Families,

We would like to extend our deepest condolences to our patrons and families that have been affected by the recent earthquake and subsequent destruction in Japan. 10,000 people are missing, and over 40,000 are refugees. Our hearts go out to everyone touched by these events, and we ask that you call on us should you need help.

QSI is helping our Japanese families raise funds to support ongoing relief. Beginning on March 21 and 22, you can donate money at any QSI campus, including the foyer of the Lower Elementary. Japanese students will also be available during conferences should you wish to donate Wednesday or Thursday or next week. Should your children wish to donate, they will be able to give during lunchtime or again after school.

The Strawberry Tea is an annual QSI event where students ages 5-13 can showcase their talents while parents and community members enjoy light desserts.
