Sprit Week Teacher/Student Soccer Match

Chelsea Kicks away after a save

Teachers managed a slight 2–1 victory against the students in play during 8th period Wednesday. The goals were scored by **Mr. DeWitt** and for the teachers and Diaz from the 11 year old class shot one past the quickly aging Mr. Argyle for the students' only goal.

The whole school turned out for the match but the cheering was definitely biased toward the students. Both the girls and boys looked ready for tournament play. The teachers looked ready for a sauna and a massage after the game! Thanks you players for the fun and good luck in Hong Kong.

After a slow start on Character Day students joined in with near total participation in Hat and Crazy Hair Day and School Color Day. Students and teachers enjoyed the fun and festivities as the school celebrated Spirit Week. Activities included treats for dressing up, whacky competitions in the gym at lunch and wrapped up with the soccer game on Wednesday.

Early Soccer Tournament Results

Congratulations to the Dragon Soccer teams. They are off to a great start. The boys' team beat SIS then lost to a tough team from CDNIS Hong Kong. The Lady Dragons beat SIS and tied the CDNIS team. Let's hope they both keep up the great play.
